| Middle | 8:20am-3:05 pm | 7th - 8th | \$13125 |

Tuition Payment Options & Discounts: All AIA families must enroll in FACTS Tuition Management and set up automatic payments via credit cards or bank drafts. Late payments or early contract termination will result in loss of discount. We offer 3 payment options:

- **Payment Option 1** - Tuition paid in full in July - 5% discount applied.
- **Payment Option 2** - Tuition split in 2 payments - 50% paid in July, 50% paid in January - 2% discount applied.
- **Payment Option 3** - Tuition divided in 10 monthly payments (July - April) - No Discount.

Sibling Discount: Families with multiple students enrolled at AIA receive the following tuition discounts. Full tuition is charged for the oldest child, a 10% discount is applied to the second child's tuition and a 15% discount is provided for each additional child. These sibling discounts are applied on top of any annual or semi-annual payment discounts. Please note that late payments will result in loss of discount.

Annual Enrollment Fee: There is an annual **non-refundable** enrollment fee for all new and returning students.

- Returning Students Fee: \$400
- New Student Fee: \$500

Security Fee: There is an annual **non refundable** security fee per student.

- Security Fee: \$400 (\$40 per month)

Primary Orientation Fee: Any student new to the Primary Classroom will be required to attend orientation and pay the orientation fee. Orientation days are listed on the school calendar.

- Orientation Fee: \$125 (This fee is mandatory and applies regardless of attendance at the orientation session.)

Field Trip Fee: The field trip fee helps cover transportation and entrance fees to various venues. All students are required to pay the field trip fee, regardless of attendance.

- **K-8th:** The charge per trip is \$45/student. (The students will have a maximum of 4 field trips.)
- **Upper Elementary:** Overnight field trip charge is \$320/student. (1 per year. The cost includes a souvenir for all the students.)
- **Middle School:** Overnight field trip charge is \$400/student. Price to be determined for 2nd overnight field trip.

Upon receipt of the enrollment fee for the student, AIA prepares its financial projections, (including contracting with teachers and ordering supplies), determines class availability, and further invests accordingly relying on the tuition and enrollment fee for the upcoming school year. If at any time after the enrollment fee has been paid for the student and the student's enrollment is withdrawn prior to commencement of the school year, an **administrative fee of \$2000 per child** will be immediately owed by the family to process the withdrawal. The obligation to pay all deposits, annual tuition, and fees is unconditional upon execution of this enrollment contract. No portion of these fees will be refunded due to absence from school. No financial credit is given because a student misses class as the result of illness, family vacation, school holidays or travel. However, should circumstances require you to terminate your contract/withdraw your student, you are required to notify AIA in writing 30 days prior to student's last day of school. Pro-rated tuition will be based upon this 30-day notice withdrawal date. A **withdrawal penalty of 20% of the remaining annual tuition** will be due immediately. In the case of pre-paid tuition, a prorated tuition refund will be made based on the 30-day notice withdrawal date minus any discounts given and the withdrawal penalty of 20%. If AIA determines that a student is not a good fit for our program and the student is asked to leave the school, financial obligations of the family would terminate immediately. Enrollment fees are non-refundable. Student records will not be released until all financial obligations are met. The parties agree that if a dispute arises regarding any provisions or policies in this agreement, then the parties shall first seek to resolve it through mediation. If AIA herein commences an action to enforce the terms of this agreement, then AIA shall be entitled to an award of costs and attorney fees.

Payment Plan Policy: To ensure consistency and financial accountability, the following policy applies to all families:

Late Payments and Discount Forfeiture

- Timely payments are required to retain any applicable discounts.
- Late payments will result in the forfeiture of all eligible discounts, including early incentive, annual, semi-annual, and sibling discounts.

Missed or Denied Payments

If more than one scheduled payment is missed, denied by a credit card company, or returned by the bank, the following conditions will apply:

- A \$2,000 deposit will be required to continue with the selected installment plan.
- Credit cards will no longer be accepted as a payment method for the remainder of the plan.
- All future payments must be made via automatic bank draft.
- Families must transition to automatic bank draft payments within 10 days to maintain their child's enrollment.
- The \$2,000 deposit will be refunded upon completion of the final tuition payment.

Failure to Make the Required Deposit

If the required \$2,000 deposit is not made, the installment plan will be terminated, and:

- The full remaining balance must be paid immediately to maintain enrollment.

This policy ensures financial accountability and supports the long-term stability of our payment plan options, allowing us to provide the best possible educational experience for all families.
